

## How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by University of New Mexico, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

**The Blue Ribbon Symbol:** The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

**Invalid:** If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

**Author Unknown:** Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

Effective Fall 2001: Cumulative GPA not to exceed 4.33.

Medical School Students: SU – Superior, SA – Satisfactory, U – Unsatisfactory effective through May 1984. Effective Fall 1984 through Summer 2006: O – Outstanding, G – Good, S – Satisfactory, M – Marginal, U – Unsatisfactory, I – Incomplete. Beginning Fall 2006, M and U grades deleted and F grade applicable.

All letter grades and WF's are calculated on a 4.33 point system. The system shown below is the basis for computation of the student's semester or cumulative grade point average. The grade point average is computed by dividing the total number of points by the total number of gpa hours.

The University of New Mexico (UNM) began the transition to a four-alpha, four-number (e.g., ENGL 2310) Common Core Course Number effective Fall 2019, in compliance with 5.55.5 NMAC. This transition will not affect all course numbers at once.

### Correspondence, Challenge and Extension Course Work

Extension – **E** after course title.

## GRADING SYSTEM

Prior to Fall 1988: Undergraduate, Non-degree and Law – A, B, C, D, F, Cr or NC. Graduate – A, B, C, and F. PR – Progress is recorded to indicate that a thesis or dissertation is in progress but not complete.

Effective Fall 1988: Undergraduate, Non-degree and Law – A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F, CR, NC or I.  
Graduate – A, A-, B+, B, B-, C+, C, F, CR, NC, PR or I.

I – Incomplete – computed into grade point average when grade is earned.

WP, WF, WNC: assigned when a student officially withdrew from a course in accordance with University regulations.

NR – No grade reported by Instructor of Record.

**Academic Renewal** – applies to undergraduate degree-seeking students, re-admitted after a five year absence. This policy allows a currently enrolled student to request their academic record be reviewed for evaluation of previously earned credit and re-calculation of the grade point average from the point of re-admission. Students approved for Academic Renewal are so designated.

Academic Standing – Academic suspension is noted on the academic record. Academic probation is not recorded on the academic record.

Course Repetitions – 1980 through Fall 1990: a student may repeat courses but will receive credit only once. All grades are computed into the grade point average. Beginning with courses taken Spring 1991 or after, students may repeat up to 12 credits for grade improvement. The highest grade will remove the lower grade from GPA and earned credit hours.

Transfer Work - Acceptable transfer credits are counted in earned hours toward graduation, but are not computed in the student's grade point average at the University of New Mexico.
